

ROANOKE VALLEY HANG GLIDING ASSOCIATION MINUTES

October 15, 1986

The meeting was held at the home of W. W. Richards, and was preceded by a Wills Wing demo by Rob Kells. This included test flights of WW Sports or the HP2 by Randy Newberry, Corby Overstreet, and Larry Hinton at the Bonsack site during the day, followed by videotapes and slides of the Sport certification process, aerobatics, and western flying sites.

In the absence of the President, David Aker, the meeting was called to order by the Vice-President, Bo Frazier (with procedural assistance provided by John Lane).

The first order of business was election of officers. After some discussion about the fact that the last two elected Presidents ceased flying activities soon after their election, and that we couldn't afford to lose any more active pilots, it was moved, seconded and passed that we retain David Aker as President. Bo Frazier was re-elected as Vice President, and Richard Cobb was re-elected as Secretary, and also became Treasurer.

The long lost RVHGA Bylaws were located, the lack of which had been the only obstacle to filing a USHGA Chapter petition. Richard Cobb agreed to promptly act on filing this petition.

Since the "yearly business meeting" had occurred so late in the year, and since ample funds were present in the club treasury, it was voted to rescind the normal dues for 1986, and for this one year, set the dues at \$1.00, solely for the purpose of determining active membership.

Larry Hinton and John Lane were presented with "Red Tail Soaring Awards" for achieving one hour or longer flights during the previous year at the Bonsack site.

The following new members were voted in: Fred Stoll and Bob Simonds were voted in as flying members. Don Anderson and Phillip Ballister were voted in as non-flying members, with flying member status to be granted when they became members of USHGA (all except Fred Stoll are currently students).

This concluded the business and the meeting was adjourned.
